**SECOND HELPINGS  
RESCUED 2,354,579 POUNDS  
OF FOOD AND DISTRIBUTED  
955,869 MEALS.  
VOLUNTEERS SERVED  
49,218 HOURS.**

It's difficult to summarize one year at Second Helpings because so many amazing things happen each and every day.

Each day, dozens of volunteers gather in our building to do the work it takes to rescue food and prepare meals for families and children who might otherwise go without hot, nutritious meals. Each meal prepared contains more than the ingredients for good nutrition. Every meal is made and delivered with care and compassion for our community. This year, more than 955,000 lovingly prepared meals fed children in after-school programs, families in shelters and seniors at community centers who need hearty meals to keep them active.

Each day, food donors open their doors to Second Helpings' trucks and give thousands of pounds of fresh, frozen, and prepared foods that might otherwise go to waste. This year, Second Helpings marked a new milestone by rescuing more food than ever—2.35 million pounds.

Each day, adults in the Culinary Job Training program learn a new skill that will help them build a meaningful career in the culinary field. Students graduate from the Culinary Job Training program each year with a fresh, hopeful look at a new future. A graduate's success is a shining moment for Second Helpings. We celebrate their accomplishments and enjoy knowing they are growing new careers that will support their families.

The past year is the sum of many amazing things that happen each day. Thank you for each and every amazing thing you do for Second Helpings and its work to alleviate hunger and poverty in Central Indiana.
