#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### NOTES TO FINANCIAL STATEMENTS JUNE 30, 2015 AND 2014

### 1. SIGNIFICANT ACCOUNTING POLICIES

SECOND HELPINGS, INC. (the "Organization") is a not-for-profit organization committed to rescuing and distributing prepared and perishable food to those in need through established hunger relief programs, and in the process, educates and trains adults for positions in the culinary field. The Organization's program services began in April 1998.

The total pounds of food rescued by the Organization was 2,354,579 and 2,024,118 for the years ended June 30, 2015 and 2014, respectively. The Organization distributed 955,869 and 900,957 meals for the years ended June 30, 2015 and 2014, respectively.

The significant accounting policies followed by the Organization in the preparation of its financial statements are summarized below:

#### Basis of Presentation

The financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"). U.S. GAAP requires that the financial statements report the change in, and totals of each net asset class based on the existence of donor restrictions, as applicable. Net assets are classified as unrestricted or temporarily restricted as follows:

#### Unrestricted Net Assets:

Net assets not subject to donor-imposed stipulations and are, therefore, available to support the general operations of the Organization.

#### <u>Unrestricted – Board Designated:</u>

Net assets not subject to donor-imposed stipulations that have been designated by the Board. These designated funds protect the Organization's long-term viability due to volatility in funding resources.

#### Temporarily Restricted Net Assets:

Net assets that are subject to donor-imposed restrictions related to specific projects or passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statements of Activities and Changes in Net Assets as net assets released from restrictions.

#### NOTES TO FINANCIAL STATEMENTS JUNE 30, 2015 AND 2014

#### Revenue Recognition and Accounts Receivable and Grants Receivable

Support and program revenues are reported as increases in unrestricted or temporarily restricted net assets based upon donor-imposed restrictions, if any. The Organization records donor-restricted contributions whose restrictions are met in the same reporting period as unrestricted support and program revenue. Contributions and grants are recognized when the donor makes an unconditional promise to give to the Organization either in writing or verbally.

Accounts receivable are reported at the amount invoiced, net of an allowance for doubtful accounts. The Organization, on a periodic basis, evaluates its accounts receivable and establishes an allowance for doubtful accounts based on past write-offs, collections, and current credit conditions.

#### Functional Expenses

Expenses are functionally classified as Program Services, Management and General, and Fundraising. Classifications are based on actual direct expenditures and cost allocations determined by estimates of time spent by Organization personnel.

#### Estimates

The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts in the financial statements and notes to the financial statements. Actual results could differ from those estimates. Significant estimates made in preparation of the Organization's financial statements including collectibility of grants receivable, depreciation methods, useful lives of property and equipment, and the allocation of functional expenses.

#### Cash and Short-Term Investments

Cash and short-term investments represent cash invested in checking and savings accounts, money market accounts, and other short-term investments.

The Organization values its short-term investments at fair market value for financial reporting purposes. Short-term investments consist of donated stock which is temporarily held and sold. Realized holding gains and losses on such sales are reflected as a separate component in the statements of activities as increases or decreases in unrestricted net assets along with any dividend or interest income on cash accounts, unless their use is temporarily or permanently restricted. The Organization had no short-term investments at June 30, 2015 and 2014, respectively.

#### NOTES TO FINANCIAL STATEMENTS JUNE 30, 2015 AND 2014

#### Inventories

Inventories include purchased and donated food and supply items. Donated food and supply items are recorded at fair market value at the date of donation and food and supplies that are purchased are recorded at cost. Inventory on hand is carried at the lower of cost or market with cost being determined using the specific identification method.

#### Property, Equipment and Depreciation

Purchased property and equipment are recorded at cost. Items donated are recorded at fair market value on the date of donation. Costs of improvements are capitalized and costs of repairs and maintenance are expensed as incurred. Depreciation is recorded over the estimated useful lives of the assets utilizing the straight-line method. The ranges of useful lives used by the Organization are as follows:

| Description               | Useful Lives |
|---------------------------|--------------|
| Building and improvements | 5-40 years   |
| Furniture and equipment   | 3-15 years   |

#### In-Kind Contributions

The Organization receives in-kind donations and contributions from unrelated parties including various services provided free of charge or at a significant discount. Other services, including food preparation and fundraising, were performed by volunteers and are not included in the in-kind contributions.

#### Income Taxes

The Organization is exempt from Federal and state income taxes under Section 501(c)(3) of the U.S. Internal Revenue Code and corresponding state law. Accordingly, no provision has been made for Federal or state income taxes.

Management of the Organization evaluates all significant tax positions to ensure compliance with the exempt purpose of the Organization as required by U.S. GAAP, including consideration of any unrelated business income tax. As of June 30, 2015, Management does not believe the Organization has taken any tax positions that are not in compliance with the exempt purpose of the Organization. The Organization's Federal and state tax returns remain open and subject to examination beginning with the calendar tax year ended June 30, 2012.

#### **Reclassification**

Certain amounts in the 2014 financial statements have been reclassified to conform to the presentation of the 2015 financial statements.
